

CERTIFICATION BUREAU

MISSISSIPPI TRAINEE AGILITY TEST (MSTAT)

Course Number	MSTAT
Course Hours:	1
Enrollment:	An Admission Application and payment is required for each MSTAT that the trainee attends. The sponsoring department will be billed after each test.
Maximum Enrollment:	30
Course Fee:	\$30 Pre-Entry Requirement into a Mississippi Fire Personnel Minimum Standards and Certification Board NFPA 1001-I-II Fire Fighter Course. The trainee must present a pictured driver license or other government issue form of pictured identification showing candidate is a minimum 18 years of age.
Delivery Date:	MSTAT will be conducted monthly on the 1 st (First) Wednesday. See MSFA website for location.
Prerequisite:	None
Other:	As per Minimum Standards and Certification Board requirement, once the fire fighter has successfully completed MSTAT, the trainee must begin the Fire Fighter 1001-I-II course within 365 days.

FIRE FIGHTER 1001-I-II

(State minimum Training Standards Course)

Course Number	CC 1001-2014 This Course Is Accredited by IFSAC and PROBOARD (MISSISSIPPI CODE #45-11-203) Meets or exceeds NFPA 1001)		
Course Hours:	280		
EMS CEU Hours:	48	Approved for EMS CEU by the Mississippi Bureau of Emergency Medical Services.	
Maximum Enrollment:	30		
Course Fees:	\$500 - Group A \$1,185 - Group B This course qualifies for funding through the Workforce Development program for Group A only. Course fee includes all instruction, course material, manual, dorm, and meals. There is no reduction to the fee if any of the above are not needed.		
Delivery Date:	Delivery 1	January 3–February 17, 2022	Delivery 2 February 28–April 14, 2022
	Delivery 3	April 11–May 26, 2022	Delivery 4 August 1–September 22, 2022 (No class the week of Labor Day)
	Delivery 5	August 22–October 13, 2022	Delivery 6 October 24–December 15, 2022 (No class the week of Thanksgiving)
Certification Standard:	NFPA Fire Fighter 1001-I-II		
Course Description:	This course is designed to meet the uniform minimum training standards stated in Mississippi Code Section 45-11-203 and to meet or exceed the minimum standards of the National Fire Protection Association Fire Fighter Professional Qualification Standards 1001-I-II. Daily classroom sessions include chapter presentations from Jones & Bartlett "Fundamentals of Fire Fighter Skills and Hazardous Materials Response." In addition, daily hands-on activities are conducted in order to build skill and enhance knowledge gained. Near the end of the course, students participate in comprehensive activities which require team and individual efforts to accomplish the assigned "mission."		
Selection Criteria:	Applicants must list hiring date on general admission application. Those who are still within their one-year requirement or second year extension as specified by the Minimum Standards and Certification Board will be given preference.		

INSTRUCTOR CHIEF MARCUS COLLIER

CERTIFICATION BUREAU

Prerequisites: Successful completion of MSAT and the following eight documents must be on file with the Academy before a Fire Fighter 1001 Applicant will be registered for a class:

1. An MSFA General Admission Application for Fire Fighter 1001-I-II.
2. A copy of a pictured driver's license or other government issued form of pictured identification showing the student is a minimum of 18 years of age. A properly notarized copy of a birth certificate may be used as evidence of meeting this requirement. The driver's license must be legible and not expire during the course delivery.
3. A copy of a standard high school diploma or certificate of GED notarized by the issuing institution or school board. A letter indicating the student's name, social security number and graduation date, issued by the school board will also meet the requirement for this item. A copy of a student issued transcript from a community college or four-year university transcript will also suffice for meeting the minimum requirement of standard high school diploma or certificate of GED.
4. A copy of a current CPR card issued from American Heart Association, American Red Cross, or equivalent. The CPR card must be signed and valid during the course delivery.
5. A copy of a certificate or proof of meeting the requirements of the emergency medical care prerequisite knowledge requirement as set forth by the Board or one of the following as the Board, by precedence, has approved as meeting this requirement:
 - A. Certificate of Completion for a Department of Transportation course on First Responder.
 - B. National Registration as a First Responder through the National Registry of EMT's.
 - C. National Registration as an Emergency Medical Technician - Basic, Emergency Medical Technician - Intermediate, or Emergency Medical Technician - Paramedic through the National Registry of EMT's.
 - D. Certificate of Completion for a Department of Transportation or Department of Defense course on Emergency Medical Technician - Basic.
 - E. Certificate from the Mississippi State Fire Academy indicating completion of the E-Med Course.
 - F. Certificate of Completion from the Medic First Aid Course.
6. A copy of properly completed Physicians Medical Examination Report (MSCB Form 4) valid for one year but must be valid from date of exam during all days of the scheduled delivery.
7. A copy of the Mississippi Training Agility Test Evaluation Form from the Mississippi State Fire Academy indicating successful completion.
8. Hazardous Materials Awareness and Operations IFSAC Certification

Testing: Examinations will be administered throughout the program. Students are encouraged to strive to make their best scores throughout the course. The course includes a number of fire related topics requiring the successful completion of written and practical skill exams. The student must pass with 70% in both written and skills tests to graduate the 1001 program. Testing will require the student to pass each level (Level I and Level II of NFPA 1001).

Other: Admission applications for Fire Fighter 1001 will be held until the applicant meets all prerequisites listed above and all documents have been submitted to the admissions office before being registered in a Fire Fighter 1001 class. Should a student pre-registered for this course not show up prior to course start date, the entire course fee will be due (\$500). If cancellation is necessary, please cancel at a minimum of two (2) weeks prior to course start date. The Academy is designated by the Department of Veterans Affairs as a NCD (Non-College Degree) school. Funding for Fire Fighter 1001-I-II is eligible for VA educational assistance benefits for eligible students. Students are required to provide protective clothing which meets NFPA standards. Night classes will be conducted, and weekend assignments may be issued.

FIRE FIGHTER 1001-I-II: FIELD COURSE

Course Number	CC 1001-2014-F This Course Is Accredited by IFSAC and PROBOARD. Meets requirement set forth by NFPA 1001		
Course Hours:	NFPA 1001-I-II: 280	NFPA 1072: 40	
EMS CEU Hours:	48	Approved for EMS CEU by the Mississippi Bureau of Emergency Medical Services.	
Maximum Enrollment:	15	Minimum Enrollment:	10
Course Fee:	\$500 - Group A	Group B	\$1,185
	This course qualifies for funding through the Workforce Development program for Group A only.		
Does Not Include Manual:	Jones & Bartlett Fundamentals of Firefighter Skills, 4th Edition		
Date of Delivery:	Can be delivered upon the Academy receiving all documents (signed contract) to conduct a field delivery program.		
Prerequisites:	Successful completion of MSAT and the following eight documents must be on file with the Academy before a Fire Fighter 1001 Applicant will be registered for a class:		
	<ol style="list-style-type: none">1. An MSFA General Admission Application for Fire Fighter 1001-I-II.2. A copy of a pictured driver's license or other government issued form of pictured identification showing the student is a minimum of 18 years of age. A properly notarized copy of a birth certificate may be used as evidence of meeting this requirement. The driver's license must be legible and not expire during the course delivery.3. A copy of a standard high school diploma or certificate of GED notarized by the issuing institution or school board. A letter indicating the student's name, social security number and graduation date, issued by the school board will also meet the requirement for this item. A copy of a student issued transcript from a community college or four-year university transcript will also suffice for meeting the minimum requirement of standard high school diploma or certificate of GED.4. A copy of a current CPR card issued from American Heart Association, American Red Cross, or equivalent. The CPR card must be signed and valid during the course delivery.5. A copy of a certificate or proof of meeting the requirements of the emergency medical care prerequisite knowledge requirement as set forth by the Board or one of the following as the Board, by precedence, has approved as meeting this requirement:<ol style="list-style-type: none">A. Certificate of Completion for a Department of Transportation course on First Responder.B. National Registration as a First Responder through the National Registry of EMT's.C. National Registration as an Emergency Medical Technician - Basic, Emergency Medical Technician - Intermediate, or Emergency Medical Technician - Paramedic through the National Registry of EMT's.D. Certificate of Completion for a Department of Transportation or Department of Defense course on Emergency Medical Technician - Basic.E. Certificate from the Mississippi State Fire Academy indicating completion of the E-Med Course.F. Certificate of Completion from the Medic First Aid Course.6. A copy of properly completed Physicians Medical Examination Report (MSCB Form 4) valid for one year but must be valid from date of exam during all days of the scheduled delivery.7. A copy of the Mississippi Training Agility Test Evaluation Form from the Mississippi State Fire Academy indicating successful completion.8. Hazardous Materials Awareness and Operations IFSAC Certification		
Course Description:	The Field Delivery is designed to allow the local fire department to deliver the course in a format similar to the on-campus Fire Fighter Program. Each module consists of chapters that will be independently tested in a written test format. Skills will be administered after the written examination. The skills will consist of randomly selected skills from all the chapters that are in the tested module. Classes are delivered in five modules, with one being the Haz Mat section.		
Testing:	All testing is conducted at the Mississippi State Fire Academy. Testing will be done in modular format. The student must pass with a 70% or greater in both written and skills testing to graduate the NFPA 1001-I-II program. Testing will require the student to pass each level (Level I and Level II of NFPA 1001).		

INSTRUCTOR CHIEF MARCUS COLLIER

CERTIFICATION BUREAU

Other: The Hazardous Material for First Responder is a prerequisite for the NFPA 1001-I-II program. The NFPA 1072 Field Program will be delivered in Module 1 (no exceptions). Chapter quizzes and Final Certification Examinations will be delivered on the campus of the Mississippi State Fire Academy. Successful completion of this course requires adherence to the Mississippi State Fire Academy rules and guidelines governing students, maintaining an overall course average of 70% or higher on all the chapter quizzes. Students must achieve a minimum score of 70% on all levels of Certification Examinations. Students must also achieve a minimum overall average of 70% or higher on the skills examination.
If dorm is requested for testing purposes, no additional fee is required. Meals are extra if requested and available.

FIRE FIGHTER 1001-I-II: HYBRID

Course Number: CC 1001-2014-H Mississippi Code 45-11-203) Meets or Exceeds NFPA 1001
Certification Standard: NFPA Fire Fighter 1001-I-II
Course Hours: 280
EMS CEU Hours: 48
Maximum Enrollment: 15
Course Fee: \$500 - Group A \$1185 - Group B
This course qualifies for funding through the Workforce Development program for Group A only.
Date of Delivery: October 24-December 15, 2022
Prerequisites: Same as 1001-I-II & 1001-I-II Field Course
Course Description: This course is designed to meet the uniform minimum training Standards stated in Mississippi Code Section 45-11-203 and to meet or exceed the minimum standards of the National Fire Protection Association Fire Fighter Professional Qualifications Standards 1001-I-II. This course will consist of 4 weeks of daily classroom sessions and hands-on activities in order to enhance knowledge and to build skill proficiency. The course will then transition into an online delivery for 2 weeks utilizing the Blackboard Online Management System. Throughout the course, students will be assigned required reading, assignments, and quizzes. Once the online portion of the course is completed, students will be required to return to the Mississippi State Fire Academy campus for 2 days in order to take proctored Final Certification Exams and participate in skills examinations.

Testing: Chapter quizzes and assignments will be delivered on the Blackboard Learning Management System. Final Certification Examinations will be delivered on the campus of the Mississippi State Fire Academy. In order to be eligible to take the Final Certification Examination, students must maintain above a 70% average on all the chapter quizzes of the course. Students must achieve a minimum score of 70% on all levels of Certification Examinations.

Other: Course fee includes all instruction, course material, manual, dorm, and meals. There is no reduction to the fee if any of the above are not needed. Should a student pre-registered for this course not show up prior to the course state date, the entire course fee will be due (\$ 500). If cancellation is necessary, please cancel at a minimum of two (2) weeks prior to the course start date.
The Mississippi State Fire Academy is designated by the Department of Veteran Affairs as a NCD (Non-College Degree) school. Funding for Fire Fighter 1001-I-II is eligible for VA educational assistance benefits for eligible students.
